Clinical Site will be: Employer Other Site Clinical Supervisor: _____ (R.T. M.D.)

Refund and Cancellation Policy: Fees are refundable except for a \$50 administrative charge per student. The request must be in writing and postmarked at least 2 weeks prior to the class start date. No refunds thereafter. If necessary, you may transfer to another class or change students for a \$50 transfer fee. We reserve the right to cancel or reschedule classes due to low enrollment or any other necessary reason. If RES cancels for any reason, a full refund will be sent. Fees subject to change.

Acknowledgement: Students are responsible for travel, hotel, and living arrangements. Students are responsible for learning the material. It is then the candidate's responsibility to apply for the Limited Scope ARRT examination. Students expressly acknowledge that the manual, program, diagrams, charts, audio and/or visual aids, discussions, and all other instruction of RES utilized in presentation of the course are the proprietary property of RES, and that none of the above may be used, reused, recorded, reproduced, or otherwise utilized in any form or fashion beyond the scope of the course without the express written permission of the proprietors.

I am taking the Limited X-ray Course for the State of Tennessee. I have read and fully understand the requirements to obtain a limited x-ray license in Tennessee. I authorize all test results to be disclosed to Radiology Education Seminars, and for RES to disclose all my class/test information to my clinic manager. By signing below, I acknowledge that I have read, understood, and agree to all the above.

LICENSE REQUIREMENTS

X-RAY (Medical and Osteopathic)

To obtain a limited x-ray license in Tennessee, one must:

1. be 18 years of age or older and possess a high school or GED diploma
2. satisfactorily complete a state-approved course
3. pass the state-required ARRT Limited x-ray exam
4. obtain the required number of *supervised* clinical practice hours *for each body category*

First Time Students - *must* take Core along with at least one body part to receive a limited x-ray license.
Upgrade Students - if you are upgrading, you are *not* required to take Core again.

BONE DENSITOMETRY

To obtain a license to operate Bone Densitometry (BD) equipment in Tennessee, one must:

1. be 18 years of age and have a high school or GED diploma
2. satisfactorily complete a state-approved 24-hour Core course for Bone Densitometry
3. receive machine training from the manufacturer (or authorized representative) *or* by a person holding a Tennessee License in Bone Densitometry who has received machine-specific training by the manufacturer
4. pass the ARRT Limited Scope Bone Densitometry exam.

Note: ARRT Registered Technologists (RTs) who did not have a Tennessee x-ray license *prior to July 1, 2006* and who perform Bone Densitometry in a physician's office in Tennessee are required to either:

- a. pass the ARRT-RT Specialty exam in Bone Densitometry - *OR*
- b. go through steps 1-4 above for a Tennessee license in Bone Densitometry

All class information is on the RES website at www.resxrn.com

All RES Courses include required **ONLINE** homework and class supplementation.

RES Bone Densitometry course is very successful in preparing RTs to take the RT BD exam

Do you need some Review help? See the **Online** Review Courses at www.resxrn.com
